Copies of the aforementioned U.S. patent application documents and publications of Group A are enclosed herewith. The unpublished U.S. patent application documents have not been listed on accompanying Form PTO-1449 to prevent their Application Nos. from being printed on the face of any patent issuing from this application. The U.S. Patent Application Publications have been listed on the accompanying Form PTO-1449. Applicants respectfully request that the Examiner sign the statement "All references have been considered" on the bottom of pages of the enclosed Form PTO-1449 to indicate that the patent applications were considered (See MPEP § 609(c)).

Copies of the aforementioned foreign patent documents of Group A and the documents of Group B, which are also listed on the accompanying Form PTO-1449, are enclosed herewith.

Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

Consideration of the foregoing in relation to this patent application is respectfully requested.

Respectfully submitted,
